Selection of portrait photographs for reference		

### Notes

- Students may use acrylics or oils; oil paints should be similar to colors listed above.
- Students should have on hand several options of portrait photographs to work from. Photos should be printed and will be drawn on, so make copies of photos that are special to you. Look for pictures that focus on the head and shoulders and have a good contrast of light and shadow. Either black-and-white or color photos are fine.
- Students need access to a device with an Internet connection (e.g. desktop, laptop, tablet, smartphone), a free Zoom account (<https://zoom.us/>), and a webcam for class meetings.

**Most supplies are readily available at art-supply stores and some craft stores. Inquire at Cheap Joe's Art Stuff (829 Riverside Drive, Suite 120, Asheville 28804) or your favorite local art supplier about student discounts.**
